MARCH 2026

Events Update

February saw fan-favorite events and celebrations big and small! Our Main Hall held several community favorites; The Western Virginia Sports Show (which has been held at Expo for more than 25 years) and the Augusta County Fishing and Outdoor Expo returned for their annual shows! Expo is thrilled to be the place to go for our long-standing partners. Additionally, Expo also welcomed Exoticon for their first of three shows at this location for 2026.

Other local and community events held at Expo included an American Red Cross Blood Drive in the Annex, Cornerstone Church's Night to Shine in the Main Hall, Dominion Energy's 2026 Luncheon in the Addition, and Augusta Co-op's Customer Appreciation Day in the Annex. Expo also welcomed several private events, including meetings and family parties. We are happy to be a part of our local organizations' success by providing space to support their work and causes.

Get Involved

We are so grateful for our volunteers and those who have provided community service to Augusta Expo over this past year, and we always welcome more! Whether it is providing assistance with daily tasks and upkeep of our facilities, or volunteering to help with admissions for our annual Arts, Crafts, and Vendor Shows, individuals can learn new skills, socialize, and meet new people while giving back to their community. Volunteers must be at least 16 years of age. [Learn more here!](#)

Did You Know?

Expo serves as the remote disaster facility for Augusta Health and Augusta County SPCA. The hospital equipped Expo with a generator for seamless power usage when needed. In such events, Expo's facilities are also open to local utilities as command centers. "As you probably remember during the derecho several years ago, our whole property was turned over to Dominion Power as a command center for help coming from neighboring states," ("History," Augusta Expo). When our community faces challenges, Expo is here and ready to support!
