July 2023

Events Updates

We continued to see lots of activity here at Augusta Expo during the month of June. In addition to providing space for five private parties, we also provided our facilities for a two-day VDOT conference. Boxing returned to Expo at the beginning of the month and filled the main hall. We also provided enough space for two large events to take place on the same day, a Car Show and Exoticon, the Exotic Pet & Reptile Expo! Returning events, a Monster Truck Show and the Annual Dog Show, also brought in big crowds. Finally, we had the honor of providing our facilities for the funeral service of a local fallen police officer.

The events held this past June truly demonstrate that Augusta Expo brings opportunities to local businesses, and entertainment and resources to our local community.

Facilities Updates

Continued upgrades to our electrical systems are still being made. Plus, as you drive into the property, you will notice that the potholes have disappeared!

Meet Rocky - you'll see him around taking care of the facilities.

Membership Update

Currently, we have 16 business member organizations and 19 individual members. Those of us behind the scenes at Augusta Expo are grateful for your continued support of the organization. It is because of your commitment we are able to carry on and provide great event opportunities to our community. Please continue to share our information with others, and let the office know if you need any membership forms for those who may be interested in joining our organization.
