Events Update

Fall is in full swing at Augusta Expo! In addition to large public events, several community events and private parties were held over this past month.

In October, we welcomed the semi-annual Fishersville Antiques Expo, which utilized our entire facility! Exoticon returned to our Main Hall and Stampede Rodeo held an event on our track. Local roller derby leagues Charlottesville Roller Derby and Rocktown Rollers held events in our Main Hall this month as well.

We were pleased to have the 4th annual Augusta County Agriculture Discovery Day on October 3, Virginia Rural Water Association's Training Days in our Main Hall, and The Neighbor Bridge's annual Monster Bash fundraiser in our Addition this month! Plus, we had five private parties at our facility in October.

Fall Arts & Craft Show

We can't wait to see you November 14 and 15! Explore the talents of our area's local artisans and crafters and shop their inventory. We will have over 150 vendors in this show! As always, the parking is free, the food is good, and there's fun for everyone!
