Events Updates

January 2024 Events started off with a New Year's Day auction with Mark Craig Auctions. Mid-month we were excited to provide our facilities for the annual Virginia Farm Show. "The Virginia Farm Show is the only agricultural trade show in Virginia that caters to full-time as well as the part-time farmer. In addition to exhibits of all the major lines of equipment and services there is a Skid Steer Rodeo for all the attendees to watch as well as participate in (from their website: virginiafarmshow.com)." The final public event held in January was the Showmasters Gun Show.

In addition to these public events, Expo was the choice location for some community and private events. WARM (Waynesboro Area Refuge Ministry) continued their stay with us at the beginning of the month and returned at the end of the month. Additionally we provided space for some roller derby training, a tractor pull dinner, and the Augusta County 4-H/FFA Market Animal Show Fundraiser Dinner and Auction.

Did You Know?

Did you know "In the late 60's, with the help of a group of business leaders and farmers, along with local Ruritan Club members, the vision of an entertainment center in The Valley was born. Through their efforts, Augusta Agricultural-Industrial Exposition was established, receiving its Certificate of Incorporation on July 22, 1969. The 225-acre Yost Miller Farm was purchased that year and Expo was on the go." Volunteers Welcome!

The Augusta Expo Spring Craft and Vendor Show is coming soon! Did you know that the Craft Shows are the only events held at Augusta Expo that are actually run by Augusta Expo? We are very excited to see such great participation in our number of crafters and vendors, and we would be even more excited to have you as a volunteer during that weekend. Volunteers can help with greeting our visitors, assisting our guest vendors with unloading their wares, and can help at the information booth. Please contact the [OFFICE](#) if you are interested in volunteering for our awesome event!
