AUGUST 2025

Events Update

In addition to a Sports Card Show in July, August Expo also welcomed a Red Cross Blood Drive, and the third Flea Market of the season. Additionally, there were 3 private parties and the Augusta County Fair held their annual fair throughout our facilities.

The Augusta Expo staff looks forward to the excitement that starts to build during the week before The Fair. It all begins as we welcome in the Augusta County Fair's own staff as they begin all of the "behind the scenes" preparations. Festivities begin the weekend prior with a wine festival and the Miss Augusta County Fair Pageant. The atmosphere really starts buzzing as the Jackpot Show and 4H/FFA Animal Show begin preparing and starting their shows. These along with various general entry participants, food vendors, fair rides, and track vehicles for tractor pulls, demolition derbies, and motocross begin arriving and setting up. For nearly 30 years the Augusta County Fair has chosen our location to bring various entertainment, food, general entries, and other enriching entertainment to the community. Thank you, Augusta County Fair, and thank you to the Augusta County and surrounding communities for your support of their yearly event.

Facilities Updates

There have been several needs for repairs and maintenance to some of our buildings and machinery. The renovations to the Men's and Ladies' Rooms and the Lobby in the Main Hall are complete including a fresh painting of all of these areas. Plus, the electrical upgrades to the Main Hall are to be completed by the end of August. Additionally, during a fairly severe storm in July, a lightning strike hit some office equipment resulting in some repairs to and/or replacement of them.

Yes, We Still Want To Hear From You!

Augusta Expo continues to ask for your participation in our strategic planning survey to help guide our plans for future growth and development. Our goals are to increase awareness of our mission and future plans while engaging the community in providing feedback. Your input is valuable to us!, and will be used to shape Augusta Expo's future.
