APRIL 2026

## Events Update

Spring has certainly sprung here at Augusta Expo! Our facility was bustling with excitement in March, kicking off with one of our favorite events - Augusta Expo's own Spring Crafts & More Show! Read more about this show below.

Following our show, Expo welcomed local organizations for their events. The Blue Ridge Australian Shepherd Club hosted a weekend-long dog show event in Building #3, the Greater Augusta Regional Chamber of Commerce hosted the Staunton-Augusta-Waynesboro Hometown Expo in the Main Hall, and Second-Go-Round's pop-up Kids' Consignment Sale was held over four days in the Addition. Remote Area Medical, an organization that provides free, on-site medical care, also held their weekend-long Fishersville medical, dental, and vision clinics in the Main Hall, Addition, and Annex.

Other events that came to Expo in March included the Blue Ridge Sports Cards Show in the Main Hall, two Renegade Monster Truck shows, and the Hot Tub & Swim Spa blowout sale in Building #3. As always, we still had room for private parties and celebrations. Expo was, and continues to be, the place to be!

## Thank you! Spring Show Recap

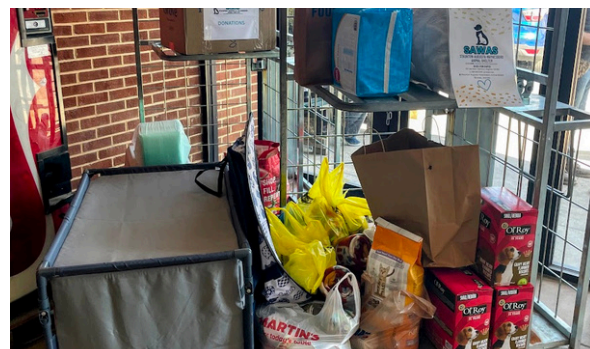

Many, many thanks to our vendors and volunteers for another successful Spring Crafts & More Show! We sincerely appreciate your time and efforts to make 2026's show one for the books.

This was a record breaking year with the best-ever attendance of any Spring Show! More than 2,000 attendees came to shop our vendors' talents. Thank you all for coming to shop and support!

If you attended and want to see some of our vendors again, you're in luck! We also had the highest percentage of vendors register for next year (2027) than any year has seen. That means, even if you missed out this year, you'll get a second chance to shop their booths. This is a wonderful testament to the positive impact everyone involved had in making this show successful! These vendors, many of them new, emphasized their experience with their desire to return!

Additional thanks to our Spring Show attendees who donated wish list items to the SAW Animal Shelter!
