FEBRUARY 2026

## Events Update

Big snow and big events came to Augusta Expo in January! Mark W. Craig Auctions kicked off 2026 with their New Year's Day Auction, followed by the Virginia Farm Show. This long-standing partner's culminating event spanned several of our indoor and outdoor spaces, including the Main Hall, Addition, Track, and Building #3. Augusta Expo also welcomed James River Equipment to Building #3 for their training event. Many thanks to James River Equipment for choosing Expo as their place to go!

Crowd-favorite Showmasters Gun Show returned to Expo on the 24<sup>th</sup>, but Winter Storm Fern had other plans for the 25<sup>th</sup>. While the event's second day was stormed out, attendees can look forward to Showmasters' return to Expo on April 25 and 26, 2026! Last but not least, Expo always has room for private parties and events, and January was no exception! There is no better way to find warmth in the winter than celebrating with friends and family.

## Supporting Our Community

Did you know Augusta Expo offers two Individual Membership levels? All membership types help support Augusta Expo's mission, vision, and operations, bringing premier public and community events to the Shenandoah Valley and providing opportunities for local businesses, community members, and youth. **Individual Community Support Membership** funds specifically support community events held at Augusta Expo, such as Red Cross Blood Drives, Life Line Screenings, 4H/FFA events, Relay for Life, and the Augusta County Fair. Consider upgrading your Individual Membership to make a larger local impact.

## Ready For Spring?
