OCTOBER 2025

## Events Update

September events started in our Main Hall on Labor day with the continuation of the Hot Tub and Spa Sale, that began earlier that weekend, followed by a Showmasters Gun Show the following weekend and the Annual Shenandoah Valley Gem and Mineral Society's Gem Show the next weekend. Community events held included a Red Cross Blood Drive in Building #2 and a Relay for Life Event on the track in our parking lot.

Several organizations used our facilities for meeting, rallying, training, and holding a fall festival. We welcomed Blue Ridge Tractor, Abate of Virginia, Dominion Energy, and Bridge Church for these events. There was also another Online Hay Auction that was held, using our Augusta Petroleum Cooperative Pavillion as a drop-off/pick-up location.

The month ended with preparations for several upcoming public and private events in October.

## Facilities Update

The installation of new light switches in the Main Hall were completed and very welcomed by all! Additionally, staff was very excited to see the beginnings of the work started for our new digital signage happening along the interstate and along Expo Road at the driveway to our facilities.

## Last Call for Volunteers!

We are still looking for a few more volunteers for our upcoming Fall 2025 Show. We would love to have you as a volunteer during that weekend. As a 501c3 non-profit, we rely on volunteers to assist with our Arts and Craft Shows. Volunteers can help with greeting our visitors, assisting our guest vendors with unloading their wares, and can help at the information booth. Please contact the [OFFICE](#) if you are interested in volunteering for this awesome event!

## Our Survey Updates and Correction
