MARCH 2025

Events Updates

The Exoticon Exotic Reptile Pet Expo was the opening event for February at Augusta Expo where their vendors brought “everything from a wide variety of reptiles, to exotic mammals and more.” ~from the Exoticon Exotic Reptile Pet Expo Facebook page

Animals were popular in February’s events. There was the annual Fishing and Outdoor Expo followed hosted by Augusta County Bass, with various fishing and outdoor sporting vendors, seminars, and a trout pond for the kids. And, the three day Western Virginia Sports Show was also here.

Other events in February included an auction with Mark W. Craig Auctions, a Hot Tub Swim and Spa Blowout Expo, and the Augusta County Cornhole February Tournament.

Additionally, meeting and training spaces were provided for the Market Animal Show, James River Equipment, and Augusta Co-op. The month closed out with a Red Cross Blood Drive and preparations for our annual Spring Craft and Vendor Show.

We are proud to be bringing opportunities for education and entertainment, and supporting our communities and the services provided within them.

Ways To Support The Community - A Reminder

In an article from last March’s newsletter, some opportunities for community service here at Augusta Expo were highlighted. We are so grateful for the volunteers and those who have provided community service to Augusta Expo over this past year! Here is a reminder of ways you too can support Augusta Expo.

Whether it is providing assistance with daily tasks and upkeep of our facilities, or volunteering to help with check-ins, admissions, or registrations for our annual Arts, Crafts, and Vendor Shows, “[w]e offer a variety of volunteer and community service opportunities to help strengthen the community and provide residents with enriching life experiences. We provide safe and innovative activities for individuals to learn new skills, socialize, share and meet new people!” ~from the Augusta Expo website
