FEBRUARY 2025

## Events Updates

Snow, Snow, Snow! With all of the wintry weather we've had, it's nice to look back at all of the exciting events that kicked off the new year in January.

The new year started with a bang! The bang of Mark W. Craig Auctions' mallet that is, as they held their New Year's Auction on the 1st. Also in the first part of the month we provided space for a private party, meeting space for Fairfield Echols LLC, and playing space for the January Cornhole Tournament for Augusta County Cornhole.

We then were the site for the annual Virginia Farm Show, a Showmasters Gun Show, and the Exoticon Reptile Pet Expo. Additionally, we provided practice space for Augusta County Cornhole and meeting space for Precision Planting's annual Winter Conference 2025.

Click on our website address in the header for information about upcoming events!

## Facilities Appreciation

There are two people at Augusta Expo who are greatly appreciated by so many within the Expo community. Our General Manager, Dave, and our Facilities Assistant, Rocky, are invaluable! They do all of the necessary work to make sure all of our facilities are ready for and are maintained during each event, meeting, private party, or whatever the need is. Thank you Dave and Rocky!

## Did You Know?

Augusta Expo's indoor facilities together could seat over 3,200 people at one time? One of those buildings is the pavilion that is shown in the picture to the left. It "was built in 1979 and named the Dick Coffey Pavilion in memory of the very popular Extension Agent through a large donation by the 4-H Clubs in Augusta County." -from the Augusta Expo website
