MAY 2026

## Events Update

Another month of events at Expo is in the books! As the weather warms, the energy is certainly ramping up. April brought several local organizations and regular events attendees looked forward to. The month kicked off with Bridge Christian Church's Good Friday and Easter services, followed by a weekend of auctions and...LED saber combat?

Yes! Star Fighter 2026 came to Building #3 in April, which consisted of a weekend-long championship series. Our Main Hall and Annex also saw two auction events during this weekend. Mark W. Craig Auctions held an estate auction while Grace Christian School held their annual benefit auction. Busy weekends like these are typical at Expo; we're proud to consistently have a variety of events while still having room for school functions, business meetings, or private parties.

The excitement continued when Rocktown Roller Derby rolled into our Main Hall with a quadruple header, followed by a Showmasters Gun Show the following weekend. In between, Riverheads High School held their prom in the Annex and other families and organizations held private events and celebrations.
