AUGUST 2026

Events Update

July was the height of summer at Expo and our community at large. The Augusta County Fair returned, where we celebrated in tradition with one another. Nothing compares to time well spent with our neighbors!

This was the 32nd Augusta County Fair, as we know it today, held at Augusta Expo! We are honored to be the grounds at which this tradition continues, and we are lucky to call Augusta County home!

Other community events included a Red Cross blood drive, held in our Annex (Building #2). We proudly host multiple Red Cross blood drives each year in support of their greater mission. The next blood drive at Augusta Expo will be this Tuesday, August 4.

In addition, the Flea Market returned to the Main Hall and Addition for their July event; this fan-favorite event will be held again on Saturday, August 15. Three private events took place as well, including a wedding reception in our Annex.

Reintroducing our Board of Directors!

Please join us in reintroducing Jeff Furman as our new Board President and Kaitlyn Hammer at Vice President. Please also join us in welcoming back Ashlie Howell as Treasurer, Abbey Smith as Secretary, and Charlie Ward as our Member At Large.

For the full list of our Board of Directors, visit our [Current Board Members](#) page.

Facilities Updates

We are beginning speaker upgrades in our Main Hall, Addition, and Beam Annex! This will improve our sound capabilities during events that utilize two or more of these spaces. Music and announcements will soon be able to be distributed simultaneously.
